

FOR YOUTH DEVELOPMENT®
FOR HEALTHY LIVING
FOR SOCIAL RESPONSIBILITY

We are committed to providing a safe and enjoyable experience for our youth, families and staff. With growing concerns about the potential spread of coronavirus (COVID-19), we are sharing some important information.

ENHANCED REFERRALS FOR HEALTH CARE, FIRST RESPONDERS, LAW ENFORCEMENT, AND MILITARY PERSONNEL

The Y is committed to supporting our health care, first responders, law enforcement and military professionals. If you or someone you know works in any of these fields and needs child care, we are offering enhanced referral services. This includes a specialized search within our database of licensed family child care homes and centers.

CALL US DIRECTLY AT 619-952-0242 AND ONE OF OUR ADVISORS WILL WORK WITH YOU TO LOCATE A PROVIDER THAT MATCHES YOUR FAMILY'S IMMEDIATE NEEDS.

ADVISORS ARE AVAILABLE MONDAY - FRIDAY FROM 8:00AM - 5:00PM

If the phone line is busy, please leave a message and we will return your call as soon as possible. Our phone line is staffed at all times and this is a dedicated line for health care professionals. Alternately, you can call our general referral line at 1-800-481-2151 and receive the same level of support.

There are several tips to protect and educate yourself to prepare in the event of a local outbreak. We recommend visiting [coronavirus-sd.com](https://www.coronavirus-sd.com).

As the situation continues to evolve, we will do our best to provide important information and Y updates online at [ymcasd.org/coronavirus](https://www.ymcasd.org/coronavirus). We thank you for being such valued members of our YMCA family.

The YMCA of San Diego County is dedicated to improving the quality of human life and to helping all people realize their fullest potential as children of God through the development of the spirit, mind and body.
